Dear EMHCs, Greeters, Lectors and Ushers,

On behalf of the clergy and lay faithful of our dear St. Elizabeth Ann Seton Parish, thank you for all that you do to assist us in having beautiful liturgies. When we all do our ministries well, we give greater glory to God and help each other on the way to Heaven.

Recently, we've had some formation with our EMHCs, Lectors and Sacristans. It was a pleasure being with you to help form you in your important ministries. I look forward to meeting some day soon with our Greeters and Ushers to talk about the importance of your ministries. When transitions in parish leadership occur, there's bound to be changes in procedures and visions. You've all navigated this well in the last two months.

As we begin this new ministry schedule, I'd like to offer a couple of reminders:

Your Ministry Coordinators (EMHCs and Lectors) have taken the responsibility of working with the office staff in making the ministry schedule. Once the schedule is completed, if you discover a time you cannot minister, please find your own substitute using the roster of ministers provided to you. If you cannot find a substitute, please do not contact the office or the Sacristans, but rather your Ministry Coordinator.

If your contact information changes (e.g., email address, phone number), please let your Ministry Coordinator know. They will make sure everyone has the correct information.

God blesses those who cheerfully and generously minister in His Name. When you ask someone to join in your ministry, you are asking them to know the joy you have in ministering, as well as taking their place in sharing the gifts God has given them. Have you asked anyone lately to join in your ministry?

Again, thank you for all that you do in being good stewards of God's gifts in offering your service in ministry. May God bless you and your loved ones and all our parishioners.

Fr. Mick
